Our Services

For Mortgages we are independent mortgage advisers and we will recommend a mortgage product that is suitable for you following an assessment of your personal needs and circumstances. This will include a detailed assessment of affordability.

We will consider all products and lenders that we have access to. This means we will not consider those lenders that are only available by you going direct to them.

For Non-investment protection contracts we are an intermediary and will act on your behalf when providing advice and making our personal recommendation(s) to you. We will do this based on a fair and personal analysis of insurers for life assurance and critical illness.

For general insurance contracts we are an intermediary and will act on your behalf when recommending an insurer based on your demands and needs from a fair analysis of the market. The insurers we consider will be listed to you when we carry out our research. It will be your responsibility to ensure the policy meets your demands and needs for building and/or contents.

The Costs of our Service

Mortgages

We charge a fee of upto1% for providing advice and submitting your mortgage application. This fee becomes payable on offer with £250 paid on account which is payable upfront and is none refundable.

We will receive and retain any commission paid by the lender when your mortgage completes. This amount will be confirmed by the lender in their disclosure document.

Should you wish you can request to view the commission rates from each of the lenders we have considered at the time that we make our recommendation to you.

Refund of fees

Please note our upfront fee will still be charged should the lender reject your mortgage application due to you not disclosing any material information about your personal situation. It should also be noted we do not provide a refund should you decide not to proceed with the mortgage loan after we have obtained an offer you.

Non-investment Protection and General Insurance Contracts

We do not charge a fee as we will receive commission from the provider/insurer after the policy has been placed on risk.

Our Ethical Policy

We are committed to providing the highest standard of advice and service possible. The interest of our customers is paramount to us and to achieve this we have designed our systems and procedures to place you at the heart of our business. In doing so, we will:

- be open, honest and transparent in the way we deal with you;
- not place our interests above yours;
- communicate clearly, promptly and without jargon;
- seek your views and perception of our dealings with you to ensure it meets your expectations or to identify any improvements required.

Cancellation rights

Certain protection and insurance contracts allow you the right to cancel after a contract has been put in force. Prior to you entering into a contract of protection or insurance we will provide you with specific details should this apply to include: its duration; conditions, practical instructions and any costs for exercising it, together with the consequences of not exercising it.

Instructions

We prefer our clients to give us instructions in writing, to aid clarification and avoid future misunderstandings. We will, however, accept oral instructions provided they are confirmed in writing.
